Next Club meeting September 1st at the Clubhouse at 7:30

Presidents Corner: Tod Smith,
Hi All,

Summer is here and it showed at the August general meeting. I hope everyone is having a wonderful time wherever your ventures are taken you this season.

Please try to make it to our upcoming scheduled events. Myself, with the help of the board of directors, are working on a bylaw change that will have to do with membership dues and CORVA yearly memberships. Please keep Mick Konesky in your thoughts and prayers as he is battling against cancer and I'm sure he could use some buggy/shop talk, right about now. Escarabajo, will be volunteering again this year at the Northern CORVA Jamboree, so get ready to be a part of something special.

Until next time,
Tod

Meeting Notes:

Bill Salmon's service and celebration was well attended. Wonderful stories were told and a slide show was put together by Bill's granddaughter documenting his life in pictures.

There is a proposed bylaw change in the works

Bev Haley has begun the quilt for the Rally for 2011.

Potential dates for the 2011 Rally were discussed. It looks like it's going to be a Saturday in April.

Rick Mead updated the group on the use of the paved roads at Stoneyford for off-Road Vehicles, the ban has been lifted.

Diana Mead is leading the committee to create the combined Cal 4 wheel/ CORVA voters guide.
