### President's Corner:

Summer is upon us and I hope everyone is enjoying it, Some of us in June went on the Shasta run and WOW it was beautiful, The lake was full and seems like around every corner there was a beautiful waterfall coming out of the mountain, Mark and Robin Crean and a few of their friends showed up ,They have a nice new long travel car they brought out for it's first dirt run and it ran flawlessly., Robin kept us happy with her never ending Jello shots !!!!! I am really glad they showed up, We need to do more runs up there, Good running and great scenery. The Meads, Smiths, Haleys all headed to St.Anthonys for their yearly sand run, Fun was

had by all , Roy had a few issues he had to work out which he did!! not much going on this month (July) The Hawthorne Rally is coming up in August and I know a few of us are going, I hope everyone has a safe journey there and back, Also in August Carla is having a CPR/ First Aid class which I feel is very important for everyone, As we all know our sport can be dangerous and incidents can happen where someone may get hurt whether or not it is someone in our group or we come upon an injured offroader or motorcyclist so we should all be prepared!! WE NEED TO TAKE THIS CLASS IT COULD SAVE A LIFE !!!!! Check with Carla and check your Bullsheet for the date and time, Also I am sure Anna has a few good events coming up so lets watch the calendar and Bullsheet for our next get together, Until then I hope everyone has a safe and fun summer,See ya soon

Bruce

## Last two meetings, July 6<sup>th</sup>

We have voted to designate the 10% of our annual dues donation to CORVA specifically as seed money toward hosting the dinner at the Northern Jamboree. It is our hope that this will make it easier to sponsor the dinner and encourage other clubs to step up to the plate.

We are discussing what events we will sponsor this year. The Wiggle Worm is a favorite as is the costume contest. Some tweaking of the MC/Quad challenge needs to happen.

EBC is of the opinion that all events ought to include all entered vehicle classes to try for more unity and shared excitement.

In June, the Shasta run was an excellent time. Aside from Don Rued's motorcycle accident, all went well. It was noted that the campground was really nice and may work well for us for Thanksgiving. It really isn't a hassle getting across the dam and the temperature just above the camping area is delightful.

Our president brought copies of an off road use affidavit that Assistant Director Ken Clarke is championing. A copy of this affidavit can be found on the new CORVA website.

Jackie Hummel wishes to thank everyone for the cards, phone calls and thoughtfulness.

Upcoming events are outlined on the first page of this newsletter. They include a road rally and the CPR class. Two more members committed to attend the class August 27<sup>th</sup>. We would really like to have more club members participate. PLEASE give Carla or Anna a call.

Pat and Phyllis Malato are camp hosts for the BLM campground at the ST. Anthony sand dunes this summer. Haley's, Mead's and part of the Smith family shared a pot luck meal with them in June.

Summer meetings aren't too well attended but we sure have fun!

We accepted donations for the pancake breakfast to benefit the park. The pancakes were a **huge** success (yeah Anna). Our supporters donated \$160 with which we purchased mirrors for the bathrooms!

### CPR and First Aid Training...

August 27<sup>th</sup>. Will be held in Vacaville.

We'll carpool from Carla's house, leave at 9 am, August 27<sup>th</sup>.

Club price \$70 a person for both classes. (The going rate in Contra Costa is \$80pp)

East Bay Hi-Tailers are welcome!!!!

### **Street Rally Saturday, August 20**

The Street run is going to start at 8 AM in the Safeway shopping center at 5431 Clayton Rd, Clayton, CA 94517 .

Anna is getting pretty good at setting these events up. The occasional confusion adds to the event. Fuel prices have come down a bit and you will have fun!
