

BULL SHEET

Escarabajo Buggy Club

Diana Mead, Corresponding Secretary
meadfamily@astound.net

President's Corner:

Your corresponding secretary is headed out of town for the final pro hillclimb of the season in Idaho. I have taken some heat on the speed with which I don't send out the monthly Bull Sheet so I am writing the Presidents Corner for Bruce so I can send this out before I leave.

There is a lot that goes into volunteer board positions for our club. Our jobs take time and resources that are largely donated. Where would we be without volunteers?

I urge all of us to have patience and to volunteer. Our annual elections are coming up in

November. Please step up and help our club be what you want. It to be. Whether you do or you don't, you'll get back what you earn. That is the way it is.

Last month, a long time member let me know that he and his wife are withdrawing from our club. This is their choice to make and they will be missed by many of us. Others probably won't notice, either because their participation is minimal or because the exiting members have been largely MIA over the last couple of years.

There are normal life transitions for all of us. Rick and I have tried to fill board positions while becoming professional racing parents, holding down a business and fulfilling our family responsibilities. We've shortchanged each of our "jobs" at least occasionally. Still, membership and service in "our" club is important enough to us to keep trying. We hope you will too!

Diana

Hi everyone,
Its that time of year again where we sit back around the fire, eat lots of food and wash it down with the margaritas/beer. Yes your right. Dillon Beach. September 23-25. Who ever gets there first please rope off a BIG spot for the rest of the gang. It has been decided that on Saturday night there will be a taco bar. The club will be supplying the meat for this, but we are asking that each person/family bring a topping for the tacos. Sunday there will be a potluck

breakfast.

Please copy and add your name and what you will be bringing for the tacos, and forward to all the above.
