Next Club meeting August 4th at the Clubhouse at 7:30

Presidents Corner: Tod Smith,
Hello All,

It sure was a pleasure knowing and being a small part of a great mans very full life. We will miss you Bill.

At the next board meeting, Wednesday July 28th at the Callanta's, a motion for a change in bylaws to a 100% CORVA club will be made.

I wish it wouldn't have taking his passing to get us as a group to finally push for a change in the bylaws but I feel it's the best way to honor Bill's

passionate efforts. Please feel free to come with idea's and input,

Until next time,
Tod

Meeting Notes:

Tod opened with many kind words of our dear friend Bill Salmon,

many spoke of some of their fond memories of the times with Bill. Daddy Daddy then got up and talked with us all about their last trip together, we all knew how tough it was to talk about and we thank him for doing this for us.

A donation in Bill Salmon's honor will be made to CORVA. Discussion about becoming a 100% CORVA club was introduced.

Diana stood and read her letter to our group which she wrote about Bill also.

We spoke of the next year's rally. The EBHT will be doing this event with us and Bev has offered to do a quilt already.

Rally Report: Not a big group for Dillion Beach but those who went had a great time.

The Walnut Festival is Sept 18th, and a day at the beach has been changed to Sept 11th and the 12th.

CORVA Report: Diana attended the "Great Outdoors" meeting in Davis, CA. This meeting was hosted by the local congressman and was a symposium of various administration representatives. The objective was to give the White House feedback on what ordinary citizens are thinking about the great outdoors.

S2931, otherwise known as the Feinstein Wilderness Bill, received a resolution of opposition from CORVA. Although there were many very positive aspects for the off road community, the future management plans were not secure and could easily cost too many current trails.

Donations for Bill Salmon will be totaled, with the goal of securing full club CORVA membership for the next year at least. Thank you to those who have donated and to those who have renewed their membership.
