Next Club meeting April 7th @ the Clubhouse 7:30 pm

Presidents Corner: Tod Smith,
Happy Spring!

What a pleasant surprise, a visit from a couple of our founding members, Pat & Phyllis Malato.

It was great getting to see them here in NorCal.

It was also great to see all of you again, keep on coming and supporting the club. Your input and camaraderie are appreciated.

We are moving right along with the rally planning and if you have any suggestions or want to help out, please contact Michel at

Don't forget the street run that's coming up soon.

Until next time,

Tod

Meeting Notes:

We spoke of the event on may 15th at Frank Raines, we have made the decision to make a few changes to ensure a a profitable event. We will be doing a raffle after the dinner, all members are asked if you know someone who may donate something we can raffle off please ask and or let Michel Gnutzman or Ralph Warbington know, we need to gather as many prizes as possible. We are also asking all members to please step up to the plate; this event can not be a success unless we all join in, donate a little time by helping and everyone will enjoy the weekend. Bev Haley has created a beautiful “off road” themed quilt. Buggies (Ellie Howells fabric!), quads and motorcycles are on one side. Bev made this for us to raffle. The finished piece will be at the next meeting and hopefully soon photos will be on the web and for everyone to see.

We are also trying to add in extra events with this rally, we want to encourage the whole off road group, if you have a jeep, a buggy, a side by side, a quad or motorcycles we will have some fun for everyone.

Old Business: The March Run date has been changed, the new date is March 27th. Come in a Car, truck, street bike, jeeps, glass bodies everyone is welcome, Please meet at the Starbuck's in the Nob hill shopping center in Martinez at 9:30 AM. DON'T forget to bring snack and a drink for in the car. We will be stopping along the way and having dinner in the later part of the run. We will also be going over the bridge so if you don't have fast track have your toll ready. if you know someone who doesn't have a E-Mail address please let Anna 925 408 9808 know.

Hope to see you there.

New Business: Concerns about our spending for the last year was discussed, Tod has brought to our attention we need to tighten our belts and help turn some of these events into a fundraiser to keep our club in the black.

The 2010 Redbook was handed out at the last meeting. Associate members will receive one in the mail. The first copy per membership is free. Subsequent copies are \$1.00.
