Next Club meeting November 8th @ the Clubhouse 7:30 pm

Presidents Corner: Doug Robertson,

Hi everyone,

it was good to see so many turn out for the meeting last night. Maybe e-mailing everyone a reminder helped out. What were more important were all the guests that came out. At least half of those are prospective club members which are great news. Thank you for your interest in the club. For those that were there we discussed the Frank Raines situation which seems to have been resolved. We also had nominations for next year's officers which will still be open at the next meeting if you want to throw your hat in the ring for any of the elected positions. We will also need volunteers for the non-elected positions:

Raffle, Refreshments, and Drinks just to name a few so if you aren't up for an elected office then possibly you might want to step up and volunteer for one of these.

My point here is that it takes allot of people to make the club run but most of these "jobs" take a couple hours a month and when you put it all together it is the fiber that makes up this club. I would like to say " Thank You " to all that have given of your time during my tenure as President.

Happy Trails,

Doug Robertson, President

Rally Report:

Hello to everyone.

We had a good turnout for the Twilight Parade in Walnut Creek. We had one rail and the rest were street legal vehicles. Good showing guys.

We thought Cotillion Gardens weekend was fabulous. We had 11 coaches and rented one cabin.

According to our count, we had 32 people, children and adults, and 3 dogs. The weather was outstanding just like it knew we were coming. The roasted pig was new and very tasty, melted in your mouth and with the side dishes and wadingers for desert how could you go wrong. We will have to take a vote later on to see if might still be a go for next year.

STONEY FORD

Roy would like to know who all will be going to Stoney Ford. From the raise of hands at club meeting looks like a good turnout. Please e-mail Roy at quebec2249@yahoo.com

<<mailto:quebec2249@yahoo.com>> if you plan on going. He would like to assist with any organization of the trip and will be up early Friday morning, He will be driving up to the RV park right off the highway on Thursday night running dry and filling up and coming early in the morning, DON'T GO ON MORNING RUN WITHOUT HIM.

It was a good year, and you all need to come to the next meeting as this is election day and if you do not want to be an active board you need to come and let us know.

CORVA report: The Northern Jamboree is being held the weekend of October 25th. Diana also spoke of the law suit against Carnegie about their water runoff.
