Next Club meeting October 7th @ the Clubhouse 7:30 pm

## **Presidents Corner: Doug Robertson, President.**

Hi Everyone,

I hope everyone enjoyed their summer. Most of you are aware that the budget crisis that effected just about everyone at some level. Unfortunately the off-road community is one of the target areas that legislators are trying to cut access to.

Frank Raines Park is still undecided as of the 9th of September as to how and when it will operate in the next year. The Sherriff's dept received grant money from the state for OHV enforcement which is a start but the Parks dept has yet to get their grant money to operate the OHV parks. This should be addressed by the end of this month so we'll have to wait and see what the outcome will be. I will e-mail all on my list with any updates that I get from the Parks Dept.

We have a pretty full calendar for the next couple months so I hope to see you all out there. Club elections are coming up soon so start thinking about which position you want to run for and come on down to the meeting and throw your hat into the ring.

Happy trails,  
Doug

## Meeting Notes:

Guests: None

New Business:

Doug has been talking with Frank Raines. They received \$50,000 grant money to be used at Frank Raines and La Grange. They have not drafted the grants that they are seeking but they are looking for a match from the state to what the county provides. Tues 15th will be the soonest for a vote. 60/40 if the park will be open as we are used to. They may be considering opening to park to exclusive use only rather than to the public. We don't know how much it would cost for exclusive use of the park. We should know something for next months meeting which would still give us time to get cards printed up in time for the Corva Jamboree.

Received our plaque from CORVA for the Club of the North Award that we received in 2007.

Grayson may be building us a display for our clubs awards to possibly display at Frank Raines. Old Business: December 5th is the Christmas party at the WC Elks Club. Harriet presented us with a budget for the Christmas party. We would have a sit down dinner with a band and refund half the ticket price to club members and guests pay full price. We could also do a \$10 gift exchange. Bring toys for tots and cans for a food drive.

Rally Report:

September

Twilight parade in Walnut Creek is Saturday the 19th if I am not mistaken - we will meet at the DMV the same as last year,

Cotillion Gardens is coming up faster than we know, We should all have a great time too,

Friday night

Appitizers

Saturday night

Rick has the opportunity of getting a pig roaster so the club will furnish the meat

Everyone should bring a side dish of their choice and for dessert don't forget to bring your favorite wadinger item.

Sunday morning

Rick and Tim will furnish their grills and if everyone brings something for breakfast we can leave with a full belly.

We are looking forward to seeing everyone who has signed up. We will have 12 camps filled,

October

We will try and set up a Family Dinner night this month, We will get back to all of you with that information

CORVA will be having their No, Cal event at Frank Raines on the 23 and 24.

CORVA report:

Diana brought to our attention the Feinstein Wilderness Bill. Which may be going after the oil, timber, and mining industries but possibly benefiting us. CORVA's stance is we don't give up anything but we may not have as much say on this as may have had in the past. Because it will probably be decided by the Federal Government.

Diana asked our opinion for the Northern Jamboree what vehicles can or should be classed together.

No treasurers report

Meeting adjourned at 8:30
